MATERIAL SAFETY DATA SHEET**

Product: **Landmaster Biodegradable Paper Mulch**

Contact Information: Easy Gardener Products, Inc.
3022 Franklin Ave, Waco, TX 76710
800-327-9462
254-753-5372 (fax)

Date Revised: May 18, 2007

While pulp, paper and paperboard products are considered an article and/or wood product, they would be exempted by OSHA 29 CFR 1910.1200 (c) and 1910.1200 (b) (6) (iii). However, subsequent handling and/or re-manufacturing processes could result in the release of wood/cellulose dust and/or fibers.

PRECAUTIONS AND SAFE HANDLING

Provide adequate ventilation to reduce the possible build-up of dust/fibers in the air.

Avoid eye contact.

Avoid repeated or prolonged contact with skin. Careful bathing and clean clothes are indicated after exposure.

Avoid prolonged or repeated breathing of dust in the air.

Avoid contact with oxidizing agents and drying oils.

Avoid open flames.

GENERALLY APPLICABLE CONTROL MEASURES

Ventilation: Provide adequate general and local exhaust ventilation to maintain healthful working conditions.

Wear goggles or safety glasses. Other protective equipment such as gloves and approved dust respirators may be needed, depending upon the conditions.

SPILL/LEAK CLEAN UP PROCEDURES

Sweep or vacuum spills for recovery or disposal; avoid creating dust conditions. Provide good ventilation where dust conditions may occur. Place recovered wood or paper dust in a container for proper disposal.

REGULATORY INFORMATION

SARA – Not listed on Section 313 required reporting list. Prop 65 Product should not present any significant risk as defined by the State of California labeling and disclosure requirements. There is no intended use of ozone depleting chemicals as defined by the Environmental Protection Agency in the manufacturing of this product.

IMPORTANT: The information and data contained herein is believed to be accurate and has been compiled from sources believed to be reliable. It is offered for your consideration, investigation and verification. There is no warranty of any kind, expressed or implied, concerning the accuracy or completeness of the information and data herein. It is the responsibility of the user to comply with local, state, and federal regulations concerning the use of this product.

ACUTE/SUB-CHRONIC HEALTH EFFECTS (This material is not Toxic)

Skin and Eye Contact..... Wood and paper dust can cause eye irritation. Paper dust and various species of wood dust can elicit allergic contact dermatitis in sensitized individuals.

Ingestion..... Not Applicable

Skin Absorption..... Not known to occur

Inhalation..... May cause nasal dryness, irritation and obstruction. Coughing, wheezing, sneezing, sinusitis and prolonged colds have also been reported.

CHRONIC HEALTH EFFECTS

Skin Contact..... Paper Dust and Wood dust, depending on the species, may cause dermatitis on prolonged, repetitive contact particularly with sensitized individuals.

Inhalation..... May cause respiratory sensitization and/or irritation. IARC classifies wood dust as a carcinogen to humans (Group 1). This classification is based primarily on IARC’s evaluation of increased risk in the occurrence of adenocarcinomas of the nasal cavities and paranasal sinuses associated with exposure to wood dust. IARC did not find sufficient evidence to associate cancers of the oropharynx, hypopharynx, lung, lymphatic and hematopoietic systems, stomach, colon or rectum, with exposure to wood dust.

EMERGENCY AND FIRST AID PROCEDURES

Eyes..... Flush with water to remove dust particles. If irritation persists, get medical attention.

Skin..... Wash with soap and water. If a rash or persistent irritation or dermatitis occur, get medical attention where applicable before returning to work where paper or wood dust is present.

Inhalation..... Remove to fresh air. If persistent irritation, severe coughing, or breathing difficulties occur, get medical attention before returning to work where paper or wood dust is present.

Ingestion..... Not Applicable

The information contained herein is based on data considered accurate. However, no warranty is expressed or implied regarding the accuracy of this data or the results to be obtained from the use thereof.
